SOFT SHEERS

For every aspect of your life.

Vienna™

SOFT SHEERS

- ~ Beautiful fabric vanes float between two layers of soft, knitted fabric sheers.
- ~ Offered in widths up to 114".
- ~ Enjoy the spectacular view through when vanes are fully opened and complete privacy and softly diffused light when closed.
- ~ Vienna Soft Sheers are available in a variety of colors and finishes, including:
 - 2" Vanes
 - 16 light filtering colors
 - 5 room darkening colors
 - 4 linen patterns
 - 3" Vanes
 - 5 light filtering colors
 - 3 room darkening colors
- ~ A battery operated radio transmitted motorization system is available for ease in opening, raising and lowering your shades. Control device options include hand-held remote, wall-mounted switch, timer, or timer with sun sensor.
- ~ The unique operating system provides five viewing options for optimal light and privacy control
- ~ The Tilt-Only option is perfect for French doors, transoms or sidelights.
- ~ Coordinating Aluminum strip valance is offered for a finished look.
- ~ All shades feature easy bottom rail skew adjustment with removable weights.
- ~ Soft Sheers are easy to clean; your windows will always look their best.
- ~ Limited Lifetime Warranty.
